

I have been a K-LOVE listener for over two years. K-LOVE offers child safe, family oriented, commercial free programming that our community has come to enjoy. Removing or restricting this type of family oriented programming will provide one less FM resource that my family and our community can enjoy. There are already too few family friendly choices. K-LOVE serves a market that is all too often forgotten. We don't enjoy off color morning shows with the constant sexual innuendo. We don't enjoy music that promotes gangs, drugs and violence. We enjoy programming that is positive, uplifting and encouraging. K-LOVE is one of the only stations offering that level of programming to our community. The loss of K-LOVE in our community would negatively impact our freedom to choose programming that meets our lifestyle and family values. Please do not take away our freedom of choice by expanding LPFM in a manner that would disrupt our ability to choose K-LOVE.
